ORNAMENTAL DEPARTMENT

The subject of home decoration receives more attention each year and nothing adds more to the pleasure and contentment of the home than that of the beautiful surroundings produced by the judicious planting of the trees, flowers and shrubs.

We will gladly furnish a plan at any time for landscape decoration also estimate cost on receipt of plat of yard.

In sending plat be careful in demensions, also state what planting already exists if any.

This list of plants are all hardy and suitable for this climate.

The plants quoted are all large size except where noted. Ordinarily it does not pay to use small sizes as the expense of planting and the care are the same.
